WINEMAKER NOTES:	<p>The first vintage to use Cabernet from our newest vineyard planting, which we chose to plant with our Cabernet clone of choice—FPS-4—from Terlato vineyards in Napa. We mixed numerous coopers and forests for this vintage that reflect our goal of using oak as the “spice” to “season” the incredible fruit.</p> <p>Like any chef, we spice the sauce as we see fit at the time. The secret to using oak is not any specific blend or percentage but how it works with the fruit that nature gave us.</p>
